### **Blue Tongue Update**

As you will no doubt be aware, new rules come into force as of 21<sup>st</sup> September which allow for vaccinated sheep to be moved into Wales, provided they have observed the immunity period after vaccination. This is usually 21 days but please check with your vaccine provider.

When booking in sheep, please ensure you clearly inform us of the vaccination status so that we can inform buyers accordingly.

We have both English and Welsh buyers wanting stock, so please do not hesitate to enter.
