Under the current legislation you will also need an animal movement licence (ARAMS1 - 11/15) for each consignment of store sheep. Additional copies of the movement licences can be obtained from the market office.

Vendors will also be required to complete a Leek Auctions green Sheep Movement form declaring that there have been no movements of susceptible livestock onto the holding in the 6 days prior to the date of consignment to the market. These forms should travel with the sheep.

Persons attending the market are advised under the Animal Gatherings Order 2004 that if their clothing becomes contaminated with faecal matter whilst in the sheep penning and sale area they will be required to cleanse and disinfect before leaving.

IT IS THEREFORE ADVISABLE TO WEAR WATERPROOF LEGGINGS AND RUBBER BOOTS TO PROTECT YOUR OUTER CLOTHING.

Please also ensure that your vehicle and trailer are clean prior to loading your stock.

Other than on market days Auctioneer, Graham Watkins, may be contacted on **01538 373308 or 07976 370894**

TAGS

We advise that all sheep that are to be sold as stores, breeding or grazing types should be electronically tagged. Sheep over 12 months of age are to be double tagged. Single electronic slaughter tags can only be used in lambs under 12 months of age

Blue Tongue Update

As you will no doubt be aware, new rules come into force as of 21st September which allow for vaccinated sheep to be moved into Wales, provided they have observed the immunity period after vaccination. This is usually 21 days but please check with your vaccine provider.

When booking in sheep, please ensure you clearly inform us of the vaccination status so that we can inform buyers accordingly.

We have both English and Welsh buyers wanting stock, so please do not hesitate to enter.
