(Under Farm Sale Rules)

Tuesday 8th September 2026

LEEK AUCTIONS LTD, LEEK SMITHFIELD, BARNFIELDS, LEEK, STAFFS. ST13 5PY
MARKET OFFICE: (01538) 372749, MEG ELLIOTT 07967 007049

FOREWORD

This most genuine dispersal of the entire Marchside Herd of Montbeliardes results from Chris and Jeanette Princes decision to take life a bit easier with a view to retiring in the future.

The sale comprises 78 Cows and Heifers In-milk and In-calf, 16 In-calf Heifers and 31 Youngstock.

Chris and Janette with the guidance of Ferreol Roche at Coopex and Stuart Cadamy moved into the Montbeliarde breed over 10 years ago with the Marchside prefix being established. Since then, the herd has gradually been upgraded and the result is a tremendous herd of Montbeliardes that we have today.

The herd is looking really well as can be seen in the photographs, in particular the youngstock that display a wealth of potential.

Purchasers should note that the herd has been managed on an organic basis so there is much capacity for improvement on a more intensively managed holding.

The herd is cubicle housed and miked via a herringbone parlour with management based on self-feed silage and concentrates fed in the parlour.

Kingshay costings for July 2026 show an average of

7630kg 3.96%F 3.33%P cc138

Not many entire Montbeliarde herds come onto the market, so this is a fantastic opportunity for any enthusiast and indeed any producer looking for a more dual purpose animal. Attendance is a must!
